

Pain-Free Dentistry Is Here!

Dear Dr. Flora,

For me, a dental visit used to mean nothing but anxiety and stress. I neglected my teeth for years. I wasn't going to the dentist.

The sedation dentistry you provided changed my life.

Now, I don't shake in my boots when I think of a dental visit! And my smile is the best it's ever looked.

Thank you so much!

-- Jane S.

Sedation dentistry offers many patients like Jane the perfect solution. During procedures, patients remain in a relaxed state of consciousness without experiencing any pain or anxiety.

Dr. William Flora is the first and only general dentist licensed for sedation dentistry in the Michiana area.

Dr. Flora and his team at Greenleaf Family Dentistry have been providing optimal care to patients since 1993.

They are ready to serve you. For a no-cost consultation, call 574-262-9619.
